## Our Client Appreciation Month Kicked Off With A BBQ

Employees, clients, friends, and family, gathered at Spring Lake on August 13, this year, for fun, food, wine and camaraderie.

We celebrated the best of Sonoma County with our Client Family! Special thank you goes out to the Santa Rosa Junior College Culinary Academy for cheffing it up for us. We could not have asked for more beautiful weather. Thank you to all that made it out and to those who did not, we look forward to seeing you next year.

My friend Bob and I were having lunch...He said why don't you send out Thanksgiving cards instead of Christmas cards, so you'll stand out? I bought lunch.

So this year I'm doing something different. My Birthday and Thanksgiving fall on the same day. I'm going to show my thanks by giving you a present!

Here's what we're going to do. Visit [www.hoganls.com](http://www.hoganls.com) and click on the "Giving Thanks" button. Choose a charity and Hogan Land Services will make a donation in your name. No strings, no kidding.

This is my way of saying "THANK YOU" for another successful year at Hogan Land Services.

Thanks,  
Mike

**Relationships Mean Business.** In order to save our client somewhere in the neighborhood of \$14,000, it was important to pay a very large County fee by 2:00 this past Tuesday. When we contacted our client to pay the fee, we found that he was in a small town In Colorado.

He contacted his office and at their best speed would miss the deadline by at least 30 minutes. We paid the fee (of course) and he reimbursed us when he could. His Job No. is 002, that's right, the second client we ever took on, and (not surprisingly) still going strong with Hogan Land Services.

That's the Hogan Land Services family. 1250 strong, 8 years of getting the Permit!
